

WA Annual Awards

Use the guide tables below to calculate how many points you have gained from 2 February 2022 to 1st February 2023 and submit your claim as soon as possible (by 1st June 2023 at the latest) as indicated below.

Most of these trophies are not automatically awarded, so you have to make a claim. Please make a claim, you have nothing to lose! It does not matter if you have a few or a lot of points, please submit your claim anyway and you may be pleasantly surprised.

Naturally, awards only go to paid up Members with Weimaraners.

For Awards having only a Show component please submit where claims are necessary to our Show Secretary, Gillian Read (WAShowSecretary@mail.co.uk), **and those having only a Field component** please submit where claims are necessary to Nigel Wroe, FT Secretary (nigel.wroe@outlook.com). **Obedience** based claims also to be sent to Nigel Wroe.

For Awards having any Show AND any Field component please submit where claims are necessary to both of the above and each component will be separately validated.

For Agility Awards please submit to Julie George-Ainscough , via e-mail (julie@achouffegundogs.co.uk).

To assist with assessing whether a claim is made and which activities are evaluated, each trophy/award shows a coded strip in the heading, with a key as follows:

- | | |
|---|---|
| CL – A claim is required | NM – Nominated - no claim required |
| SH – Includes a show component | FT – Includes a field trial component |
| GT – Includes a gundog working test component | SP – Includes a spring pointing component |
| WT- Includes a working trials component | AG – Includes an agility component |
| OB – Includes an Obedience component | |

Where the title of an award is in **RED** then nominations are required from members, to be sent to the WA President.
